

Job Opportunity at ABC.AI

Job Opportunity: Data Scientist at ABC.AI

ABC.AI is seeking a talented and experienced Data Scientist to join our innovative team. If you have a passion for working with cutting-edge technologies, especially in the field of Large Language Models (LLM) and Generative AI, we would love to hear from you!

Key Requirements:

- Minimum of 1+ years of experience in Data Science or related fields.
- Strong understanding of LLM, Generative AI, and other advanced machine learning techniques.
- Proficiency in data analysis, data wrangling, and algorithm development.
- Experience with Python, TensorFlow, PyTorch, and other AI/ML frameworks.
- Solid foundation in statistics, mathematics, and data modeling.
- Excellent problem-solving and communication skills.
- A passion for pushing the boundaries of AI to create transformative solutions.

If you meet these qualifications and are excited about the opportunity to contribute to the future of AI, please complete the form below to apply for the position.

We look forward to seeing how you can bring your expertise to ABC.AI!
